Gift cards:

Clothing stores: We give away gift cards to families for items we do not have and for teen clothing, for them to pick out clothing that matches their style and body shape. These can be in amounts \$25-\$100 to Amazon, Walmart, Target, Dick's, Academy, ect. This allows the teen to pick out the correct size in the style they love.

We also give away gift cards to families for food. We have had families who have a child in the hospital and need to travel back and forth daily. Or maybe a family member is sick and they need to pick up dinner or order food to the door! Choose convenient local places with \$25-50 amounts like Applebee's, Chickfila, Subway, Moe's, ect

We give away gift cards to DSS quarterly for them to use for food for children they pick up in urgent situations. These are great for places that are open late like McDonald's, Wendy's, and QT Gas Station. \$10-15 amounts are great!
